On 1 August 1987, our Navy League Council was honored to have been involved in the construction and dedication of a permanent bronze memorial to your loved ones on Pier Bravo Two, Naval Station, Mayport.

Some of you were kind enough to attend the ceremony, but others due to distance, were unable to attend. So all of you can share in the knowledge of this memorial, I am asking Destroyer Squadron Eight Staff to include with this letter a copy of the program of the dedication ceremony.

Our prayers and thoughts are with you always.

Very respectfully,

T. J. Porcari, President
